

আসুন আমরা সবাই মিলে একটি এইডস মুক্ত বাংলাদেশ গড়ে তুলি

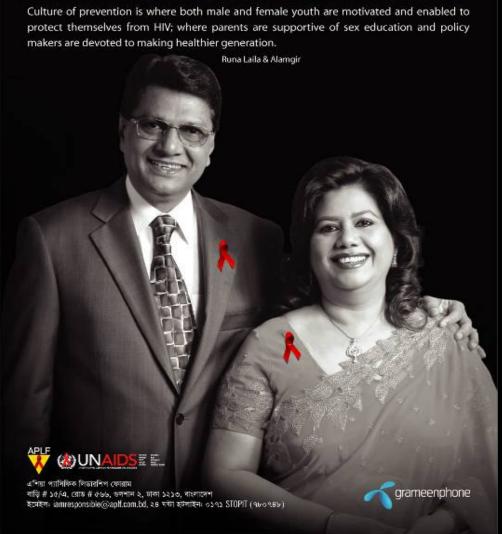

Discard all the myths and misconceptions about AIDS and let's join hands with an HIV positive person.

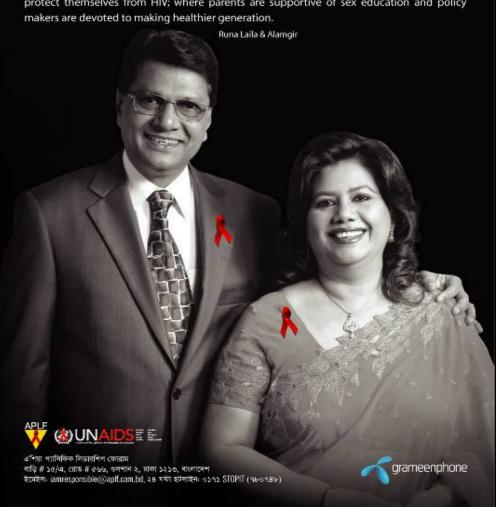

Culture of prevention is where both male and female youth are motivated and enabled to protect themselves from HIV; where parents are supportive of sex education and policy

Mr. Kafil H.S. Moyeed

The welfare of our country depends on our collaborative and scaled-up response to HIV and AIDS. Prevention of HIV will expedite economic development of our country.

Dr. A S M Matiur Rahman (UN এশিয়া শ্যাসিফিক লিভারশিপ ফোরাম grameenphone বাড়ি # ১৫/ব, রোড # ৫৬৬, ভলশান ২, ঢাকা ১২১৩, বাংলাদেশ ইমেইল: iamresponsible@apff.com.bd, ২৪ খন্টা হটলাইন: ০১৭১ STOPIT (৭৮০৭৪৮)

HIV can be transmitted by anyone to anyone! To avoid this it's important to know your HIV status so that you can take preventive steps to protect you as well as others sooner.

Shaikh Sirai
